"AS IS" and "AS AVAILABLE" Disclaimer

The Service is provided to You "AS IS" and "AS AVAILABLE" and with all faults and defects without warranty of any kind. To the maximum extent permitted under applicable law, the Company, on its own behalf and on behalf of its Affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory or otherwise, with respect to the Service, including all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and warranties that may arise out of course of dealing, course of performance, usage or trade practice. Without limitation to the foregoing, the Company provides no warranty or undertaking, and makes no representation of any kind that the Service will meet Your requirements, achieve any intended results, be compatible or work with any other software, applications, systems, or services, operate without interruption, meet any performance or reliability standards or be error-free or that any errors or defects can or will be corrected.

Without limiting the foregoing, neither the Company nor any of the Company's provider makes any representation or warranty of any kind, express or implied: (i) as to the operation or availability of the Service, or the information, content, and materials or products included thereon; (ii) that the

Service will be uninterrupted or error-free; (iii) as to the accuracy, reliability, or currency of any information or content provided through the Service; or (iv) that the Service, its servers, the content, or e-mails sent from or on behalf of the Company are free of viruses, scripts, trojan horses, worms, malware, timebombs or other harmful components.

Some jurisdictions do not allow the exclusion of certain types of warranties or limitations on applicable statutory rights of a consumer, so some or all of the above exclusions and limitations may not apply to You. But in such a case the exclusions and limitations set forth in this section shall be applied to the greatest extent enforceable under applicable law.

There has been concern in recent years regarding the possibility of risk to health arising from the use of certain ceramic materials. Long-term exposure to respirable dust (silica) may cause lung disease e.g., Silicosis. Respiratory protection and safety glasses should be used if you are using large amounts of clay with little ventilation for extended periods of time.

Wash your hands thoroughly after each session. Earth's Clay uses pre-made clay mixes which minimises respirable dust.

Earth's Clay accepts no responsibility for the misuse of the requirements to adhere to the terms and conditions as outlined in this document.

Commencement of sale and purchase

The contract between you and Earth's Clay begins when you make a purchase/customer order or agree to make a purchase/customer order through the website or in person.

If you are attending a workshop or purchasing a clay kit, you agree and consent to Earth's Clay terms and conditions.

Governing Law

The laws of the Country, excluding its conflicts of law rules, shall govern these Terms and Your use of the Service. Your use of the Application may also be subject to other local, state, national, or international laws.

Waiver

Except as provided herein, the failure to exercise a right or to require performance of an obligation under these Terms shall not affect a party's ability to exercise such right or require such performance at any time thereafter nor shall the waiver of a breach constitute a waiver of any subsequent breach.
